

2018 PARENT PAYMENT CHARGES

Dear Parents/Guardians

To continue the high level of education provided at Wattleview Primary School, our School Council has carefully assessed student needs in regard to the Essential Education Items.

The Education and Training Reform Act 2006 provides for instruction in the standard curriculum program to be free to all students in Government Schools – this is referred to as ‘free instruction’. School Council are responsible for developing and approving school-level parent payment charges and can request payments from parents.

There are two areas for which parents are requested to make a payment or contribution.

Essential Student Learning Items: This covers the cost of their child’s items such as books, stationery, exercise books, art supplies, Mathletics, Literacy Planet and other curriculum requirements.

Optional Items: These are offered on a user pay basis and parents/guardians may choose whether their child accesses or participates in, eg. Camp program, swimming program, graduations etc.

The School provides a service whereby the stationery needs of children are bought in boxes and distributed to your child on collection day. This enables the school to provide the supplies at a significantly reduced price to parents and it also means that all children have the correct requirements for their year level. Although children are supplied with what is considered sufficient materials for the entire year, further purchases during the year are usually required. It is expected that stationery will be purchased through the school.

The following charges of **\$350 per student** have been endorsed by School Council on 14 December 2016.

The essential education items are broken down into the following components:-

- All boxed and bulk supplies	\$130.00
- Art Materials	\$20.00
-- ICT Levy – this includes printing (colour + b&w) Soundwaves, Mathletics and Literacy Planet access	\$200.00
