

Dear Parents,

As a special memento, for completing their Foundation year, we would like to organise a cute calico bear (approx. 25cm) for each student. The bears will have a yellow T shirt and the Wattleview logo printed on the front with the year 2017. The bears will be signed by their classmates, this activity will be supervised one to one.

Please keep this a secret from the students. They will be presented their bear at an assembly towards the end of December.

The cost to purchase a bear for your student is \$20.00 (this covers the bear, printing and delivery). **Orders must be received by Friday 24th November** so that we have plenty of time for delivery.

We look forward to your continued support.
