

Grade 1/2 Robotics Incursion Term 4

As part of our Term 4 Mappen unit ‘Robot Buddies’ the students will be participating in an incursion whereby students will be able to build and program robots. ‘Education WeDo’ is a simple-to-use, cross-curricular tool that enables students to learn, construct and then bring their Lego builds to life using an intuitive drag-and-drop software. Students will work in groups, build their Lego models with motors and sensors then use the laptop to program and control their builds.
