- Matches are as follows: Singles players ranked 1–4 play first (10 min), then players 5–8 (10 min). Once completed, all play a doubles match (in order of ranking) at the same time (10 min)
- 1. To begin, players play paper, scissors, rock and the winner chooses to serve or receive.
- 2. First and second serves to be a drop bounce hit over the net, across the court into the service box, with the receiver allowing the ball to bounce once before returning.
- 3. Player serves for 2 points then the other team serves, starting on the right side of the court.
- 4. Matches are timed (usually 8 min) and scored numerically e.g. 1-0, 1-1, 2-1, 3-1, 4-1 etc.
- 5. Server to call out the score BEFORE each point. If there is a dispute please replay the point or ask for the Court Supervisor.
- 6. If a set is tied at the end of the allocated time players then play next point wins to decide who wins the set.
- Each match is to go for 10 minutes – convenors to keep track of time
- Players change ends after every 8 points

- First named team in games 1 & 2 to set up diamond at the start of the day and leave it set up for the entire day
- Games must finish at the designated time. At the end of time the scores must revert to what they were when the innings were equal except if the team hitting second is already leading. If game is still tied after reverting back to equal innings revert to the previous innings and so on. If teams can still not be separated then game must continue until one team has a lead of at least one at equal innings.
- Games only go into extra time if that particular game has a bearing on the eventual district champion being decided. If it doesn't have a bearing on the eventual winner being decided then the game can be called a tie.
- An innings is completed when either 3 outs are made or 7 runs have crossed the plate. This replaces the previous 9th batter rule.
